## From The Manufacturer

### Whatever Fruits Your Loops

### It's Always a Good Time for Froot Loops

### Every Bowl Has A Story

### Kellogg's Believes in Breakfast

More than 100 years ago, W.K. Kellogg, and his brother, Dr. John Harvey Kellogg, changed breakfast forever when they accidentally flaked wheat berry. W.K. kept experimenting until he flaked corn, and created the delicious recipe for Kellogg's Corn Flakes. The Kellogg's brand has meant breakfast to America ever since.

At Kellogg's, we passionately believe in the power and promise that comes from eating the right breakfast. One great way to start the day right and enjoy the benefits of cereal is with cereal. Kellogg's cereals are a great choice for breakfast because many of our cereals are filled with the goodness of grains. And best of all, Kellogg's cereals are quick to prepare, easy to eat, Kellogg's cereals are quick to prepare, easy to eat, and provide endless ideas for fun, delicious recipes — even for the busiest of families.

See you at breakfast!
