**Sourced Worldwide, Made in the USA**

Tree Hut ingredients are sourced where the best are to be found, from African Organic Shea Butter to Indian Coconut Shells. But it's important to us that all Tree Hut products are made right here in the USA, benefiting our local communities.

**Organic Shea Butter**

Every Tree Hut product contains Organic Shea Butter. Shea butter is a skin superfood made from the seeds of the Shea (Karite) tree. Naturally rich in vitamins, Shea Butter helps collagen production and helps to protect and nourish the skin to prevent drying.
